bizztracker®
Powering your portfolio

SAIL SMOOTHLY THROUGH STRATEGIC BUSINESS DECISIONS WITH BIZZTRACKER®

FUNCTIONALITY HIGHLIGHTS

- Scoring functionality for projects on strategic objectives
- Use of segmentation criteria for balancing and prioritizing a portfolio
- Reporting generator allowing you to create custom reports
- Portfolio management by adding / removing projects from the portfolio
- Implementation fully in your hands, no need for implementation consultants

ACCESSIBLE EVERYWHERE

A cloud solution means you can access it through your internet browser without required software installation.

MAXIMUM FLEXIBILITY

An easy interface to customize the settings yourself. In combination with a report generator you don't need implementation consultants to get started

REAL TIME INSIGHT

No limitations in users to make sure that all relevant users can look into the latest status of the portfolio(s).

PAY AS YOU USE

The fee is based on the level of insight that you get: the average number of projects during the month is basis for invoicing independent of the number of users.

⏩ MAKE PROJECT PORTFOLIO MANAGEMENT EASY

Bizztracker® is a software as-a-service solution in the cloud focusing on strategic planning and project portfolio management. It helps in understanding your projects and in analyzing and managing your entire portfolio and ultimately in selecting the right projects to execute.

WHY BIZZTRACKER®

1 To understand what is going on in your organisation and have a clear project portfolio overview

2 To be able to evaluate projects in terms of strategic value, financials and planning

3 To prioritize projects and come to a balanced portfolio that maximizes contribution to your strategy.

4 To centralize data and reporting about your project portfolio and use it live in board meetings

ADDED VALUE

- Are you still using Excel or Access to manage your portfolio?
- Have you experienced any projects not contributing to your strategy at all?
- Is an up to date trustworthy project overview very difficult to achieve in your organisation?
- Are you struggling with optimizing your scarce resources (time, people, money) to the diffferent change initiatives?

If you can map your situation to one of the above questions, discover Bizztracker® to help you solve it.
